

Wax'd Essentials

ERAS'D | \$29.95

A must-have product for post-waxing, this 3-in-1 treatment spray is formulated to retard hair growth, treat and prevent ingrown hairs, as well as soothe and calm waxed areas. Eras'd features papain enzyme to inhibit hair growth and gently exfoliate, as well as an antibacterial and anti-inflammatory blend of extracts and essential oils for comfortable post-wax skin.

SCRUB'D | \$15.95

Scrub'd is a walnut-scented exfoliating scrub, designed to get under the surface to remove any unwanted dead skin cells and promote soft and polished skin. This product is great for all skin types and recommended for twice-weekly use.

MOISTURIS'D | \$29.95

A super hydrating and nourishing moisturiser for all skin types. This product is PH balanced and also has a lovely lemon and lime scent. We recommend using this product daily to keep the skin glowing!

WASH'D | \$29.95

Our antibacterial lemon and lime-scented foaming body wash. Wash'd is perfect for everyday use and is PH-balanced for use on sensitive skin.

RIFFI MITTS | GLOVE \$23.95 LARGE \$27.95

Riffi Mitts are designed to increase blood flow and remove any unwanted dead skin. They are the perfect body buffer which can be used wet or dry and will last up to 12 months! Our Riffi Mitts move around the hair follicles so the hairs come out smoothly during a wax, and leave skin polished and rejuvenated.
